

## **FSC Certification:**

Pierce & Pierce Millwork is pleased to announce our recent FSC certification!

The Forest Stewardship Council has acknowledged Pierce & Pierce Millwork & Mouldings, Inc. as a new member having completed the SCS Certification program in October.

“We are now in a position to offer our clients products that will help in the building of LEED projects.” Says Scott Parr, General Manager.

“Our being a source for FSC certified moulding will not only help our environment but will also give our customers a leading edge for their FSC material needs.”
